Club Nippers Days

- To qualify for Surf Skills Awards, Nippers must attend at least 80% of Club Nipper Days in OCT, NOV and DEC

Point Score Days

- Nippers race to earn points that count towards medals and trophies awarded at the end of the season
- These are fun days and participation is encouraged
- These days are a great introduction to competitive surf sports

Carnivals

- Nippers from the BBSLSC compete against Nippers from other clubs in the Branch, State or 'country' clubs
- Carnival participation is not compulsory
- Carnivals are open to all Nippers in Age Groups U8s and older
- Due to insufficient numbers of Water Safety Officers, no Club Nipper Days are held on carnival days

Set Up, Canteen & Pack Up

- Parents/Carers from each Age Group are asked to help with setting up and packing up gear and equipment, including staffing the Canteen, for Club Nipper Days
- The BBSLSC Gear Steward will be on hand to coordinate volunteers

Special Events, Training & Social Occasions

- Look out for further information on these special days
